

2/5

Supplementary Report of the Group of Eminent Technical Experts (GETE)
on the technical evaluation of bids received on Restructuring and
Modernization of Delhi and Mumbai Airports.

1. Authority:

Cabinet Secretary's D.O. letter No.071/2/6/2005-CA.III dated 13th January, 2006 (Annexure-I).

2. Deliberations of GETE:

In pursuance to Cabinet Secretary's D.O. letter No.071/2/6/2005-CA.III dated 13th January, 2006, the Group of Eminent Technical Experts (GETE) met again on Monday, 16th January, 2006. The GETE felt the need for seeking certain information from the bid submittals and accordingly the Evaluation Committee (Shri Sangameswaram Manikkam and his colleagues from ABN-AMRO) was called. In the presence of Shri Sanjay Narayan, Joint Secretary, Ministry of Civil Aviation, we elicited the required information from the Evaluation Committee.

Based on the methodology adopted by GETE for moderating the marks of bidder 'E', we have now moderated the scores of all other bidders as well. Based on this exercise, the marks scored by the different bidders are given in a tabulated form separately for Delhi and Mumbai Airports.
